jogo de dupla

Batalha Naval

10 folhas de jogo, só precisa de lápis

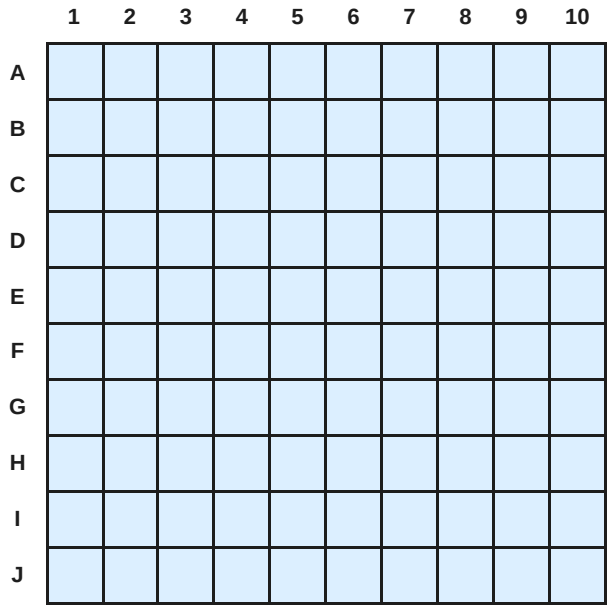

@Cardeno_Amarelo

Como jogar

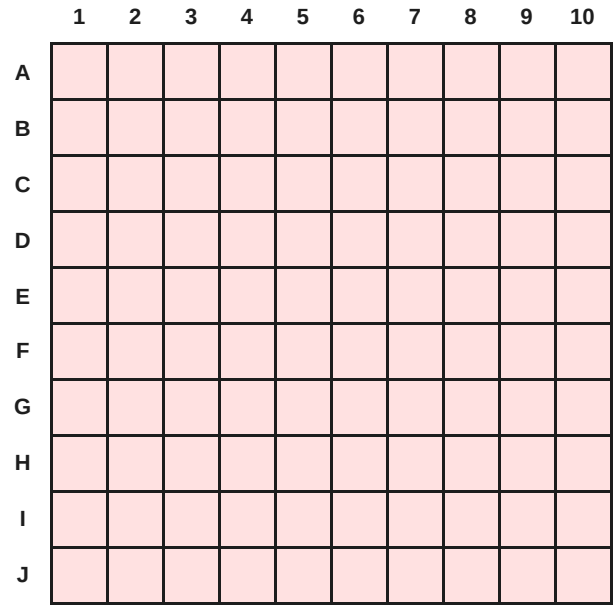

1. Cada jogador pega uma folha e esconde dos outros.
2. No mapa "Meu mar", desenha a tua frota: os navios ficam em linha reta, em pé ou deitados, sem encostar.
3. Na tua vez, fala uma casa (ex.: C7). O outro responde "água" ou "fogo". Se afundou o navio inteiro, avisa "afundou!".
4. Marca teus tiros no mapa "Mar do inimigo": X pra fogo, bolinha pra água.
5. Quem afundar a frota inteira do outro primeiro ganha.
